

SAMUEL JOHNSON

Chicago, IL · 601-738-7853
samuellamar.johnson@gmail.com

I am a linguist seeking to expand my abilities into Data Analytics. My strengths include autodidacticism, communication, and simplification of complex ideas. I want to use my abilities in Data Analytics to make the world a better place. I thrive while working independently and am flexible in complex situations.

SKILLS

- Python (re, matplotlib, and other libraries)
- Spreadsheet software (Excel, Calc, Sheets)
